Commissioner for Patents
Washington, D.C. 20231

Technology Center 2600

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith.

The present Information Disclosure Statement is being filed (without a Statement Under 37 C.F.R. § 1.97(e)) after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore a check for the fee of \$180.00 under 37 C.F.R. § 1.17(p) is attached. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the

Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.

The present Information Disclosure Statement is being filed in response to the Office Action of October 24, 2002 in the present application. Due to a typographical error, US Patent No. 5,279,502 was filed with the Information Disclosure Statement of April 5, 1999, rather than US 4,279,502, which was intended to be filed at that time. Thus, US 4,279,502 is being filed herewith. Also, in accordance with the Examiner's request, Applicants submit herewith JP 55-46741, which is described in the present specification. JP 55-46741 corresponds to US 4,279,502.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Respectfully submitted,

Cameron W. Beddard
